A NEW VOLUME by a Fresh and Charming

A NEW VOLUME by a Fresh and Charming Writer, now ready and for sale at the Bookstores:

TRUE TO THE LAST;

OR.

ALONE ON A WIDE, WIDE SEA.

By A. S. Rog.

One neat 12mo. Volume, \$125.

There is no writer of the present day who excels this charming author in the natural and home-like simplicity of his style, and the natural interest and truthfilmess of his narrative. In thousands of families and Sabbath Schools his books are read and re-read with ever-increasing delight. The young and old, the quiet and gay, are alike fascinated by his pages. Hogath not more surely touches life with his wizard spell. It is transfixed and permanent. Like Goldamith's Vicar of Wakefield, his books should be placed upon the shelf to show what American views and manners reveal, just as that simple tale tells of what comes from English institutions. He is an American in tone and lairguage. His books will live as graphic pictures of the times he delimeates. Rather of the old school in Church and social privileges, he is sufficiently universal to make his delimeation national. There is about him a complicacency, a wholesome cheerfulness, a fertility of resource, a hopefulness, a glow and persistency wholly Yankee. Rival editions of all his books have been published in England, edited by the Rev. Dr. Taylor, where they have already reached the controls said of 120,000 volumes.

The following are by the same author, for sale in uniform

PVE BEEN THINKING; Or, THE SECRET OF

TO LOVE AND TO BE LOVED, Or, STRIVE AND

THE STAR AND THE CLOUD; Or, A DAUGHTER'S

take pleasure in informing their friends and the public that they have secured as afficient quantity of the ATLANTIC CABLE.

TALANTIC CABLE.

TO supply all demands; and in order that every one may receive a Souvenir of this, the most remarkable event of the age, and so that it shall not be cumbersonic, we have mounted it up, to be worn as Charms or Watch-Keys.

In Silver for 35 cents each.

In Gold for from \$1 50 to \$5 each.

We suppose the reputation of our house is all the guaranty needed when we assert that this Cable is the veritable one from on hoard the steamer Niegars. In addition to that, however, we have documents to place the genuineness beyond question, New-York, August 24, 1838. JAMES INGRAM'S PATENT MOVABLE

JAMES INGRAM'S PATENT MOVABLE WATER-BACK COOKING RANGE, which can be received by any person, and used readily, with or without water. The subscriber has got up this RANGE with Water-Back and connections in a simple and perfect namner to remedy the evile of breakage and leckage around the Water-Back, and particularly that, if the supply of water be stopped, which is often the case, by breakage, frost, deficiency of water in the country, repairing pipes, &c., or anything that may occur with the water, in place of putting out the fire (making the Range unit for use), it can be regulated in a minute by any person, and used either with or without water, which is a decided improvement on the old style, and very much needed, as may be seen on examination. Manufactured and for sale by J. INGRAM & SON.

Plumbers, No. 334 atheav., cor. of 25th-st., New York.

N. B.—Circulars with full description sent to order.
